To whom it may concern,

I am writing you in regards to a partnership opportunity with the Fatboy Basketball League Non Profit Organization!

The Fatboy Basketball League was started in 2020 after an overweight player didn't get picked up in any pick-games with the smaller guys. He had an idea to have open gym with only Fatboys (guys 250 lbs +). Over 100 guys showed up wanting to play so we figured it was a better idea to turn it into a league with weight loss and healthier lifestyles being the focus behind it all.

After COVID-19 restrictions were lifted in 2022 the event was moved to a Community Center where we completed our first full season. It created an opportunity for other overweight players to try-out for one of our six teams and also become apart of the FBBL family!

I am proud to say we are now going into our 3rd season(2nd full season) of the league and still growing. We strive to be a family friendly event every Sunday with fatboy basketball games, and entertainment including: live hosts, DJs, haltime performances, activities for kids and more!

Support from your organization will help us continue to expand this league and find innovative ways to operate more efficiently. We are anxiously looking forward to even greater success this season and can't wait to see the FatBoy Basketball League reach its full potential. With your partnership and support I believe we can accomplish and exceed all of the goals we have set!

I look forward to making the FBBL Family your family! Attached are the partnership packages we currently have available.

Thanks For Your Consideration

Calvin M. Ceo.
